

Guru Nanak Institute of Technology is proud to host the *ACM* (Association for Computing Machinery) *International Collegiate Programming Contest 2016*, also deemed as "*Olympics of Programming Competitions*", **the largest computer programming contest in the world** in collaboration with National Institute of Technical Teachers' Training and Research, Kolkata, JIS University under the aegis of JIS Group, Direct I and Endurance, and is exclusively sponsored by IBM globally.

GNIT gets the coveted opportunity to welcome more than 100 student teams from elite engineering and technology colleges of India and abroad including IITs, NITs, IIITs, BITs, and other government and private engineering colleges in the multi-tiered competitive programme fighting out 5 long hours of programming battle in GNIT.

Some of the former ACM ICPC finalists who made it big in the software industry and research include Adam D'Angelo, the former CTO of Facebook and founder of Quora, Nikolai Durov, the former CTO of vk.com, Matei Zaharia, creator of Apache Spark, Tony Hsieh, CEO of Zappos and a venture capitalist, Craig Silverstein, the first employee of Google. Past ICPC alumni populate much of the high tech information technology industry worldwide.

Inaugural Session is on 26th December, 2016, 10:00 AM onwards.

Asian Regional Kolkata Site Coding Contest on 27th December, 2016, 10:00 AM onwards.

India Finals on 30th December.

Kindly follow GNIT face book and website for detailed programme and updates.

Catch us live on GNIT Face book.

How to reach GNIT, Kolkata & Where to Report

ACM ICPC Kolkata Site Contest will be Held at Guru Nanak Institute of Technology (GNIT), Kolkata which is situated in **Sodepur** Area. GNIT is well connected with both major railway stations of Kolkata (i.e. Sealdah and Howrah) as well as Kolkata Airport. Complete Address of the campus is as follows:

GNIT Campus	
Guru Nanak Institute of Technology, 157/F, Nilgunj Road, Panihati, Sodepur, Kolkata – 700114 West Bengal Phone: +91 33 2523 3900	
Google map link (GNITCampus)	

GNIT Kolkata can be reached from:

Sealdah Railway Station:

Distance	Mode	Amount (approx.)	Travel Time
15.5 Kilometers	One can take prepaid yellow taxi from prepaid taxi booth just outside the Sealdah Station	Rs. 200/-	54 minutes depending upon the traffic (Route)
	One can also book radio taxis like OLA, UBER, MERU and Omega etc. which can be directly booked through mobile applications	Rs. 220/- depending upon the operator	

Howrah Railway Station:

Distance	Mode	Amount (approx.)	Travel Time
17.6 Kilometers	One can take prepaid yellow taxi from prepaid taxi booth just outside the Howrah Station	Rs. 220/-	60 minutes depending upon the traffic (Route)
	One can also book radio taxis like OLA, UBER, MERU and Omega etc. which can be directly booked through mobile applications	Rs. 240/- depending upon the operator	

Airport Kolkata:

Distance	Mode	Amount (approx.)	Travel Time
15.8 Kilometers	One can take taxi from prepaid taxi booth from the airport itself (ask security for prepaid booth)	Rs. 200/-	54 minutes depending upon the traffic (Route)
	One can also book radio taxis like OLA, UBER, MERU and Omega etc. which can be directly booked through mobile applications	Rs. 210/- depending upon the operator	

Once you reach GNIT campus, your auto rickshaw/taxi driver will be needed to make an entry in the register to enter into the campus; you need to mention at this point that you are an ACM ICPC participant, and the security personal will guide you to the Hospitality/Registration desk. Once your vehicle reaches the Hospitality/Registration desk, please ask the driver to stay for few more minutes to reach the exact hostel/ residential location.

Note:

- ACM ICPC Kolkata Site will provide accommodation and food (of our choice) to all the contestants and coaches from December 25, 2016 (4:00PM) to December 28, 2016 (9:00AM). Registration will start from December 25, 2016 (4:00 PM)
- Kolkata will be pleasant and moderately cold during the month of December; daytime highs will be around 12 - 18 degrees Centigrade. Therefore, it is suggested that you equip yourself with winter clothing and shoes.
- In case of any problem you may contact any one of us:
